

PROFILE

With my experience in industry design standards, I help clients appeal to their audience with creative design solutions. I take in freelance work and have regular repeat clients.

EXPERIENCE

GRAPHIC DESIGN/WEB DEVELOPMENT, LOVE IS EARTH MFG CO 2012-PRESENT

I create web and print design for Love is Earth MFG Co. They are a Nashville, TN clothing boutique. I also create mockups, design graphics, and illustrations for clothing.

GRAPHIC DESIGN/WEB DEVELOPMENT, BIOSYNSE 2014

Contract web development and graphic design for company specializing in solutions for home insulation.

LAYOUT/GRAPHICS EDITOR 2007-2009

Oversaw production of all graphics and cartoons for printed news publication.

EDUCATION

AUTODIDACTIC — 2006-PRESENT

This is a term to describe one who teaches themselves, however, it is not entirely fair for me to claim credit for my knowledge in these areas. Educational resources, provided by kind hearted individuals for free on the web, have been invaluable to my creative and computer education.

SKILLS

HTML5, CSS3, JavaScript/jQuery, Python, Photoshop, Illustrator, Drawing
